Art Unit: 1745

1. The following is an examiner's statement of reasons for allowance: none of the prior art of record teach the claimed battery pack including a casing with a rechargeable cell, a receiving bay in the casing, a pair of electrical contacts in or adjacent to the receiving bay, a recess that opens into the receiving bay and a supplementary electrical contact located in a recess and a catch located within the recess alongside the supplementary electrical contact. The art of record does not disclose nor would it have been obvious to have included the supplementary electrical contact located in the recess in the claimed battery pack.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John S. Maples whose telephone number is 571-272-1287. The examiner can normally be reached on Monday-Thursday, 6:15-3:45, and every other Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick Ryan can be reached on 571-272-1292. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
